On behalf of all of us at Gulfstream, congratulations to you and your team on achieving consecutive 2008 quarterly scorecard rating of 'green' in all categories. This is an outstanding accomplishment that speaks to the commitment of your organization's leadership and dedication of your entire team to provide excellent service to Gulfstream.

Only a small fraction of Gulfstream suppliers are able to display the 2008 awarded trophy within their locations. You and your team have every right to be proud of your accomplishments.

Gulfstream will issue a news release with the results of its 2008 Supplier of the Year Awards to all aviation and aerospace trade publications.

Once again, thank you to you and your team and congratulations on a job very well done!!

Sincerely,

Bill Williams
